

# JOSE GALVEZ

## PROJECT COORDINATOR

### EXPERIENCE

2012 - 2021  
Transmutex SA  
Ibel SA  
Energy Life Sarl

#### PM & CONSULTANT

Nuclear Physics & computer simulation, technical reports (3y). Construction & Experimental test of Activator device for radioisotope production for Nuclear Medicine (3.5y). Renewable energy power systems (Solar & Wind energy): Business plan (3y)

2009 - 2012  
ITU

#### PM & TECHNICAL OFFICER

CRM recommendation & USR study to improve relationships and increase number of ITC companies. Business case study, Features description of existing applications for membership. Assessment of e-infrastructures developed by Grid communities. Pan-American Telemedicine Network Project (HUG)

1989 - 2008  
CERN

#### PM, WEB DESIGNER, RESEARCH SCIENTIST

Mammogrid Project: CERN Grid/Computing Technologies in Collaboration with Oxford & Cambridge University hospitals, UDINE Hospital & Sassari and Bristol Universities. EC founded project.  
Solar Thermal Panel project based on the ultra-high vacuum technology.  
HR Development application.  
Energy Amplifier Project. Tau-Charm Factory Project. LAA Project - ICSC WL

1982 - 1988  
Engineering University  
San Marcos University  
RP University

#### TEACHING COURSES

Courses for undergraduate and graduate students of physics and mathematics.

### EDUCATION

1995 - 1999  
Autonomous  
Madrid  
University

#### PHD PHYSICS

Accelerator Driven System (ADS) for electricity generation and transmutation of nuclear waste.

1976 - 1982  
Russian Friendship  
People's University

#### DIPLOMA & MASTER OF SCIENCES

The master's degree is in physical-mathematical sciences. Undergraduate studies in theoretical physics. Qualified as a university professor and of higher secondary centers.

### HOBBIES

Chess & swimming

### CONTACT ME

Address  
13 Chemin du Closez  
CH-1188 Switzerland
